

Neurologist position at ChesterGates Veterinary Specialists, UK

We are looking for a board certified or board eligible Veterinary Neurologist to join the team at our newly refurbished multi-disciplinary veterinary referral hospital at ChesterGates Veterinary Specialists in Chester, Cheshire. ChesterGates is a flagship referral hospital of CVS Vets, the UK's largest provider of integrated veterinary services, with almost 500 clinics across the UK and approximately 6000 employees.

Additional Information:-

ChesterGates is situated on the outskirts of the historical city of Chester, an ancient city with a wealth of culture and vibrant living. This is an area of outstanding natural beauty, boasting excellent schools, leisure facilities and travel links (including a direct mainline rail service to central London and excellent road links to Cumbria, North Wales, the Midlands and within easy reach of both Manchester and Liverpool airports).

Competitive salary and benefits package will be provided. Click Apply Now or for informal enquires please contact Sarah.hibbert@chestergates.org.uk
