Dear all,

We proudly announce that this year's **MR User Meeting** will be held in Vienna for the first time. It will take place on **May 3rd - 4th, 2019** at the University of Veterinary Medicine in **Vienna, Austria**.

The main topic will be MR imaging of the head. Apart from lectures, there will be case presentations, poster sessions, and wet labs for either small or large animal MR imaging.

Registration for the 15th European Veterinary MR User Meeting is now open! Additionally, everyone is more than welcome to submit topic related posters.

On Friday evening there will be an informal dinner enabling you to enjoy Austrian food, catch up with colleagues, and make new friends.

For further information on the venue, registration, and accommodation, please visit our website at <http://mruservienna.vetmeduni.ac.at>.
