

ECVN Approved Residency – AUNA ESPECIALIDADES VETERINARIAS REFERRAL HOSPITAL – VALENCIA (SPAIN)

AUNA ESPECIALIDADES VETERINARIAS is a multi-disciplinary referral-only hospital located in the east coast of Spain (Valencia).

A position for an ECVN-approved residency has arisen due to increased case load. Our hospital has boarded specialists in many disciplines: ECVS, ECVN, ACVIM-Onco, ECVDI, ACVR, amongst the 33 professionals of our team including specialists, clinicians, interns and support personnel. Being fluent of or willing to become rapidly fluent in Spanish is mandatory.

This is a three-year position with well-balanced neurology caseload that includes medical and surgical cases including OOH. Our facilities offer an excellent working environment including 16-slice CT scanner, electrodiagnostic equipment with dedicated room for EMG, BAER, ERG and nerve conduction studies, two fully equipped operating theatres with Storz HD video scopes, ICU room, cardiology and oncology suites, separated dog, cat and infectious wards, digital radiography, fluoroscopy, etc.

Applications or informal enquiries should be made to Alejandro Luján DVM, MRCVS, Dipl. ECVN, Head of Service, via email: alf@aunaespecialidadesveterinarias.es or telephone +34960266066. www.aunaespecialidadesveterinarias.es
