

Colorado State University

COLLEGE OF VETERINARY MEDICINE
AND BIOMEDICAL SCIENCES

Department of Clinical Sciences

helping animals, people, and the planet

The Department of Clinical Sciences, Neurology Service at the James L. Voss Veterinary Teaching Hospital is hiring a clinician to join our team. This individual will share responsibility with the other Neurology clinicians for leadership and oversight to the Neurology services. This position will include clinical teaching, providing consistent service leadership, and liaison to the local and regional referring veterinary community. Clinical training of veterinary students and interns will be a priority while providing state-of-the-art care for animals. Personal and professional commitment to diversity will be supported by encouraging involvement in research, other creative activity, service to the profession, and/or diversity/inclusion activities.

Interested individuals should submit 1) a cover letter addressing the applicant's qualifications, 2) resume or curriculum vitae, and 3) name and contact information for three professional references to the following link: <http://jobs.colostate.edu/postings/67725>. References will not be contacted without prior notification of candidates.

Applications will be accepted until the position is filled but for full consideration, please submit application materials by August 12, 2019, 11:59pm MT. Additional information is available via email at ClinSciHR@colostate.edu

CSU is an EO/EA/AA employer and conducts background checks on all final candidates.
