

## Veterinary Neurologist Position

**Wear Referrals is looking to recruit a boarded or board eligible neurologist who is looking to develop and to possibly lead the very busy Neurology & Neuro-Surgery service within a newly built, multiple award-winning and State-of-the-Art multidisciplinary referral hospital in the North East of England.**

The Neurology & Neuro-Surgery service is supported by multiple services in the specialities of orthopaedics, soft tissue surgery, internal medicine, neurology, imaging, anaesthesiology and cardiology. We also run a 24 hour emergency and critical care service. We strive to achieve clinical excellence within a working environment that promotes and cherishes collegiality and communication.

Our on-site diagnostic facilities currently include a 1.5T Siemens Magnetom Essenza MRI, a 16 slice Siemens Somatom Emotion helical CT, digital radiography, a Neuro-MEPµM – Dantec Medicals 2 channels electrodiagnostic unit, a C-Arm fluoroscopy, GE Vivid ultrasound and Sonoscape S9 touchscreen ultrasound

Currently the team is composed of two ECVN Diplomates, a RCVS certificate holder, a neurology intern and six dedicated neurology nurses. We are seeking a motivated, enthusiastic individual with the skills necessary to become an integral part of the neurology service. You will be a key member of a team that has ambitious, but achievable plans for continued growth and development into a

hospital with an international reputation for excellence in clinical care and education. We offer an extremely competitive salary with generous performance bonuses, employer's pension contributions, large CPD allowance, health benefits and purchasing scheme and payment of both professional fees and professional indemnity insurance

Our current neurology specialists work five days a week, three weeks a month with one week off every four. Weekends are one in four (not attached to the week off). Other specialist staff work a four-day week all weeks. Similar and Interesting rota options can be negotiated.

Wear Referrals is based in County Durham close to the historic University City of Durham. The beautiful Yorkshire coast and two national parks (including the Yorkshire Dales) are within half an hour's drive. The vibrant historical cities of Newcastle, York and Leeds are also nearby. Both Durham Teesside Airport and Newcastle airport are within 35 minutes from the hospital and both offer domestic flights with rapid connections to major international airports in London and Amsterdam.

Please submit your CV to Gerard te Lintelo (Clinical director). You can also contact Gerard by phone if you would like to have an informal chat. The rest of the neurology team is also available for an informal chat if desired.
