

## LOCUM NEUROLOGIST/NEUROSURGEON NEEDED – AUNA ESPECIALIDADES VETERINARIAS REFERRAL HOSPITAL – VALENCIA (SPAIN)

**AUNA ESPECIALIDADES VETERINARIAS is a busy multi-disciplinary referral-only hospital located in the east coast of Spain (Valencia).**

We require to fill a temporary position of Neurologist/Neurosurgeon for a 6-week period (1<sup>st</sup> June to 15<sup>th</sup> July) to allow our former resident to study and complete the ECVN exam. We consider board-certified, finished residents and clinicians with practical experience in veterinary neurology. Registered in Spain and being fluent in Spanish is mandatory. This is a temporary position with well-balanced neurology caseload that includes medical and surgical cases and OOH. We offer a competitive salary based on qualifications and experience, an interesting caseload and a good work-life balance.

Our hospital is one of the few in Spain with boarded specialists in of the colleges ECVS, ECVN, ACVIM-Onco, ECVDI, ECVIM amongst the > 60 professionals of our team including diploma-holders, clinicians, interns and support personnel.

Our facilities offer an excellent working environment including 16-slice CT scanner, electrodiagnostic equipment, two fully equipped operating theatres with Storz HD video scopes, ICU room, oncology suites, separated dog, cat and infectious wards, digital radiography, fluoroscopy, etc.

The Neurology/Neurosurgery Service is currently formed by one ECVN diplomate, one senior clinician, one resident and one intern.

Applications or informal enquiries should be made to Alejandro Luján DVM, MRCVS, Dipl. ECVN, Head of Service, via email: [alf@aunaespecialidadesveterinarias.es](mailto:alf@aunaespecialidadesveterinarias.es) or telephone +34960266066
